PREMIUM CHEMICALS & CLEANING PRODUCTS

CHEMCOR Chemical Corporation principals have been serving the demanding and stringent requirements of the Industrial, Institutional and Foodservice Industries with a proud family tradition for over 40 years. Our history of industry involvement, manufacturing expertise and industry knowledge has proven to be **CHEMCOR**'s success as a premium manufacturer and supplier to the Janitorial, Sanitary and Foodservice maintenance chemical industry. The promise of service, dependability and quality is **CHEMCOR**'s commitment to all of our valuable business relationships.

Ideally located in Chino, California in a modern facility with close to four acres to provide quick manufacturing and distribution response to meet our customer's requirements.

CHEMCOR is focused on providing our customers with an unsurpassed level of service and value with products to match at competitive prices to the Industrial, Institutional, Janitorial and Foodservice industries.

Offered along with the **CHEMCOR** brand is our private labeling program which we specialize in. Our sales staff along with our complete graphic arts department offer total assistance from start to product shipment integrating our customer's requirements into their own label.

Our mission is to be recognized as a valuable asset to our customers while never compromising our integrity, customer's requirement, satisfaction and trust.

We are focused to meet your requirements and look forward to demonstrating our capabilities to you in the near future. The **CHEMCOR** commitment is your advantage.

WE HAVE THE SOLUTIONS FOR YOUR PRIVATE LABELING NEEDS

TERMS:

2%-10 days, net 30 upon **CHEMCOR** credit approval. First time orders without prior credit approval will be C.O.D. Accounts past 30 days will be billed interest at the rate of 1½% per month from invoice due date. Unearned discounts will be billed back. Accounts over 45 days must be cleared by credit prior to additional shipping.

FREIGHT:

Shipped prepaid with minimum order of \$500.00 in the metropolitan Los Angeles, Orange county and portions of San Bernardino and Riverside counties. For orders less than \$500.00, a delivery charge of \$50.00 will be applied. For prepaid freight to San Diego and Santa Barbara, the minimum order is \$500.00. Minimums are excluding bleach. For delivery outside of these areas, please contact **CHEMCOR** for minimums and ship dates.

WILL CALL:

Minimum order for will call is \$50.00. A will call allowance of 2% will be applied. Transport of will call orders are the responsibility of the customer. Please follow D.O.T. guidelines.

U.P.S. SHIPPING:

No hazardous material products will be shipped via U.P.S. All other products will require an additional \$2.50 per unit pack for repackaging to minimize damage during shipping.

PRICING:

All prices are subject to change without notification. Liquid Bleach available only in Southern California delivery area.

GUARANTEE:

All products of the **CHEMCOR** label brand are unconditionally guaranteed when used as directed on the labels. Liability of the manufacturer is limited to the replacement of goods or credit of the invoice at the option of **CHEMCOR** Chemical Corporation.

RETURNED MERCHANDISE:

Returns will be accepted on **CHEMCOR** labeled brand products only. Product to be in full, unopened original shipping containers and no more than six months old. Prior written approval must be obtained and a 15% restocking charge will be applied. Freight to be prepaid on all returned merchandise.

CONTAINER DECORATING:

Private label decorating silk screens and labels will be provided at no charge when customer's camera ready artwork is provided. Development and production cost of \$75.00 will be charged to the customer when camera ready artwork is not provided. Standard decorating is one color. There will be an upcharge for two color screening. Product screens will be \$30.00 each. Includes: silk screen & frame, film positives, and emulsion paste-up.
